TOWN BOARD MEETING, TOWN OF LIVONIA

October 15, 2026

A meeting of the Town Board of the Town of Livonia, County of Livingston and the State of New York was held at 7:00 p.m. at the Livonia Town Hall, 35 Commercial St Livonia NY 14487

PRESENT: Eric Gott, Supervisor
Joseph Breu, Councilmember
Michael Dougherty, Councilmember
Andy English, Councilmember-absent
Jake Stevens, Councilmember
Hayley Woodruff, Town Clerk
Jim Campbell, Attorney, Town of Livonia

The Town Board meeting was called to order by Supervisor Gott at 7:01 p.m. Tanya Domerocki led the Pledge of Allegiance.

RESOLUTION 146-2026
PUBLIC HEARINGS
On motion of Councilmember Stevens seconded by Councilmember Dougherty the following resolution was
ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

The Supervisor opened four advertised public hearings simultaneously: (1) proposed 2027 Town Budget; (2) Hemlock Sewer District unit charges; (3) proposed Local Law No. 1 of 2026, authorizing an override of the tax levy limit for the 2027 budget; and (4) proposed Local Law No. 2 of 2026, establishing a moratorium on home occupations.

Resolved to open all 4 public hearings at 7:05pm

The proposed 2027 budget was described as an approximately $5.7 million spending plan, including approximately $1.175 million for 24-hour, seven-day paid EMS staffing and approximately $600,000 in additional taxpayer support for EMS personnel. The Supervisor reported an overall increase of approximately 3.2%, with an anticipated Town tax rate of $3.22 per $1,000 of assessed value, compared with $4.50 the prior year. The proposed budget was reported to maintain strong fund balances, fund operations and benefits, and provide employee wage increases.

The Hemlock Sewer District hearing offered property owners an opportunity to contest their assigned sewer units. No objection or request for adjustment was recorded.

During the home-occupation hearing, a resident objected to allowing new home

occupations when other residents had previously been denied approval. The four hearings remained open during other business and were later closed following an additional invitation for public comment.

OPEN SESSION — TRAFFIC SAFETY

Charles Clark of Main Street in Hemlock expressed concerns about repeated crashes at the intersection of Big Tree Road and Route 15A, including sight-distance issues and excessive vehicle speeds. He requested consideration of a four-way stop and relocation or reduction of the speed limit. Supervisor Gott explained that prior requests to the Livingston County Traffic Safety Board and the State had been denied, but additional crash and traffic data could support a renewed request. The Board discussed including post-conversion safety data from Bosley's Corners.

MEMORIAL BENCH

Representatives of Bears Playgrounds, Marcy Bears and Lisa Jo Keeler, requested permission to donate a memorial bench at Vitale Park in honor of former colleague and community member Matt Trubia. The Supervisor explained the existing park bench program and offered to refer the request to Barb Dougherty and the appropriate park committee. The playground committee later expressed interest in incorporating the bench into the new playground design. No formal approval of a specific bench or placement was recorded.

VITALE PARK PLAYGROUND COMMITTEE

Mike Mallaber, speaking for the playground committee, reported an award of $628,000 through a New York State playground grant program. With Town contributions and community fundraising, the committee anticipates a project budget of approximately $900,000. The playground is planned for relocation to an open green area of Vitale Park and is intended to include expanded universal and adaptive play features, accessible surfacing, seating and shade. The committee is considering maintenance needs and protection of the lake environment.

The committee described outstanding grant documentation, procurement, design and compliance requirements. Board members and counsel discussed obtaining a proposal from LaBella for engineering, design, grant administration and compliance support, with a clear distinction between design services and full grant administration. Committee representatives were asked to coordinate with Attorney Campbell and obtain pricing. A public input session was announced for November 9 at 5:30 p.m. at the Livonia Public Library. The anticipated completion target was late summer or early fall 2027, subject to approvals and procurement.

RESOLUTION 147-2026

REQUEST NEW REVIEW OF INTERSECTION OF BIG TREE ROAD AND 15A

On motion of Councilmember Breu seconded by Councilmember Dougherty the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

Resolved to request renewed review of intersection controls and speed limits, supported by updated data, through the Livingston County Traffic Safety Board.

RESOLUTION 148-2026

APPROVE MEETING MINUTES FROM 9/17/2026

On motion of Councilmember Dougherty seconded by Councilmember Breu the following resolution was

ADOPTED Ayes - (Gott, Dougherty, Stevens, Breu)
Nays – 0

Resolved to approve the meeting minutes from September 17, 2026

RESOLUTION 149-2026

APPROVE SPECIAL MEETING MINUTES FROM 10/06/2026

On motion of Councilmember Stevens seconded by Councilmember Breu the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

Resolved to approve the meeting minutes from September 17, 2026

RESOLUTION 150-2026

TOWN CLERK REPORT

On motion of Councilmember Breu seconded by Councilmember Stevens the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

Paid to Supervisor for the General Fund	$8,909.15
Paid to County Treasurer for Dog Licenses	$171.50
NYS Comptroller's Office (Bingo and Games of Chance Licenses)	$0.00
Paid to NYS Ag & Markets for the Spay/Neuter Program	$51.00
Paid to NYS Environmental Conservation for Hunting/Fishing Licenses	$5,757.12
Shelter Contribution	$9.50
State Health Department (marriage licenses)	$112.50
TOTAL DISBURSEMENTS	**$15,010.77**

The TextMyGov service is live. Clerk Woodruff described a Google Form to collect and correct resident telephone numbers for geographic notification mapping. Messages can be submitted through the Town website, with automated responses and staff email notifications; the Village will distribute the information in its newsletter. The Board also discussed National Grid installation of a smart meter at the municipal building and expressed consensus to proceed, with coordination to minimize possible power interruptions. Counsel indicated a formal motion was not necessary.

Resolved to approve Clerk Woodruff's report.

DISCUSSION: HEMLOCK SANITARY SEWER PUMP STATION IMPROVEMENT PROJECT

Jason Molino reported the pump station improvement design approximately 95% complete, with bidding anticipated before Thanksgiving, bid receipt before year-end, and an award recommendation anticipated in January. Funding requirements necessitate a separate competitive bid for Gorman-Rupp pumps despite their use as standardized equipment in the system. The pumps would be installed by the utility's own forces. A $6,000 engineering change order was requested to prepare separate pump bid specifications; the amount was reported to remain within the engineering budget.

RESOLUTION 151-2026

APPROVE ENGINEERING CHANGE ORDER FOR SEPARATE PUMP BIDDING SPECIFICATIONS

On motion of Councilmember Breu seconded by Councilmember Dougherty the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

Resolved to approve the $6,000 engineering change order for separate pump bidding specifications.

DISCUSSION: REGIONAL WATER SUPPLY PROJECT

Jason Molino reviewed the three project phases: East 1 (Hemlock Pump Station, Big Tree Road, East Avenue, Summers Street, Poplar Street and South Lima Road); East 2 (South Lima, Bronson, Van Zandt, and the connection through Bulldog Boulevard); and West (including Abel, Route 63, Jones Bridge, Route 36, Perry, Gibsonville and Crapsey Road toward the Wyoming County line). East 1 was under Department of Health review and expected to bid before Thanksgiving, with construction potentially beginning in early

spring 2027. East 2 and West were expected to bid in early 2027 with later construction starts.

Approximately 500–550 project notices were sent to affected property owners. A virtual presentation and questions were posted on the project website; an East 1/East 2 open house at Vitale Park was scheduled for the following Wednesday, and a western-section open house was expected in November. Easement outreach and permitting continued.

The overall project was described as approximately $36 million and 25 miles of water main, with approximately $21.5–$22 million in grants and other funding and approximately $14 million in interest-free financing. Improvements include increased Hemlock pumping capacity, new Leicester facilities, and potential transfer of New York State Parks water infrastructure serving the Pine Caverns area. Figures and financing classifications should be confirmed against project records.

DISCUSSION: BIG TREE ROAD WATER AND PEDESTRIAN IMPROVEMENTS

The Big Tree water project remained in coordination with the pedestrian improvements. The Town was awaiting engineering and DOT review of utility poles that may conflict with proposed sidewalks. A variance or alternative solution could avoid substantial relocation costs; the Town was not yet ready to finalize financing or bond authorization.

RESOLUTION 152-2026

ADOPT LOCAL LAW #1-2026 A LOCAL LAW AUTHORIZING THE TOWN TO OVERRIDE THE TAX LEVY LIMIT

On motion of Councilmember Breu seconded by Councilmember Dougherty the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

A local law to override the tax levy limit established in New York State General Municipal Law 3-C.
Be it enacted by the Town Board of the Town of Livonia as follows:

Section 1. Legislative Intent

It is the intent of this local law to override the limit on the amount of real property taxes that may be levied by the Town of Livonia pursuant to New York State General Municipal Law §3-c 5, and to allow the Town of Livonia to adopt a budget for the fiscal year 2027 that requires a real property tax levy in excess of the "tax levy limit" as defined by General Municipal Law §3-c 2 (g).

Section 2. Authority

This local law is adopted pursuant to subdivision 5 of General Municipal Law §3-c, which expressly authorizes the Town Board to override the tax levy limit by adoption of a local law approved by a vote of sixty percent (60%) of the Town Board.

Section 3. Tax Levy Limit Override

The Town Board of the Town of Livonia, County of Livingston, is hereby authorized to adopt a budget for the fiscal year 2027 that requires a real property tax levy in excess of the amount otherwise proscribed in General Municipal Law, §3-c.

Section 4. Severability

If any clause, sentence, paragraph, subdivision, or part of this Local law or the application thereof to any person, firm or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. Effective Date

This local law shall take effect immediately upon filing with the Secretary of State.

Roll Call of Town Board:

Eric Gott, Supervisor	aye
Joseph Breau	aye
Andrew English	absent
Jake Stevens	aye
Michael Dougherty	aye

BY ORDER OF THE TOWN BOARD
OF THE TOWN OF LIVONIA

Resolved to Adopt Local Law No. 1 of 2026 authorizing the Town to override the tax levy limit for fiscal year 2027 as a Type II action under SEQRA

DISCUSSION

The proposed 2027 Town Budget was not adopted at this meeting because the Livonia Joint Fire District had not yet adopted its budget. Supervisor Gott indicated that a special meeting would be scheduled following receipt of the Fire District's final figures. No action was taken on Hemlock Sewer District unit charges.

Counsel explained that proposed Local Law No. 2 of 2026, a home-occupation moratorium, is a Type II action under SEQRA and therefore requires no further SEQRA review. The Board discussed a duration of up to one year, allowing earlier termination if

the Town completes its review, and whether an existing application under review should be stayed. Counsel explained potential vested-rights and litigation issues. Board members expressed support for allowing the pending application to continue before the Zoning Board of Appeals and Planning Board while temporarily halting new applications. Members of the public raised concerns about a proposed large commercial or industrial-type operation, traffic on Coy Road, and impacts on residential and agricultural neighborhoods. Counsel agreed to revise the local law language to expressly exempt the pending application.

RESOLUTION 153-2026

ADOPT LOCAL LAW #2-2026- A LOCAL LAW ESTABLISHING A TEMPORARY LAND USE MORATORIUM PROHIBITING HOME OCCUPATIONS WITHIN THE TOWN OF LIVONIA

On motion of Councilmember Breu seconded by Councilmember Dougherty the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

SECTION 1. TITLE

This Local Law shall be known as the "Moratorium on and Prohibition of Home Occupations within the Town of Livonia."

SECTION 2. STATUTORY AUTHORITY; PURPOSE AND INTENT.

This Local Law is intended to be consistent with and is adopted pursuant to the authority to enact zoning laws granted to the Town of Livonia ("Town") under the New York State Constitution, and the laws of the State of New York, including but not limited to the following authorities: New York State Constitution Article IX, §§2(c)(ii)(10); New York State Town Law §130 (15), New York State Municipal Home Rule Law §10; New York State Statute of Local Governments §10; and New York State Town Law §§ 264 and 265.

This Local Law is a land use regulation. This Local Law is intended and is hereby declared to address matters of local concern, and it is declared that it is not the intention of the Town to address matters of statewide concern. This Local Law is intended to act as and is hereby declared to exercise the permissive "incidental control" of a zoning law and land use law that is concerned with the broad area of land use planning and the physical use of land and property within the Town, including the physical externalities associated with certain land uses, such as potential negative impacts of such uses on a community.

This Local Law shall supersede and suspend those provisions of the Zoning Ordinance of the Town of Livonia and New York state law which require the Town Code Enforcement officer, Building and Zoning Department, Planning Board and/or Zoning Board of Appeals to accept, process, and approve land use applications within certain statutory time periods.

This Local Law is intended to temporarily prohibit the approval or siting of Home Occupation (s) as defined in §150-5 of the Zoning Ordinance of the Town of Livonia and as provided for in §150-66 and §150-17B therein, within the Town of Livonia for a period of up to twelve (12) months, pending a review of the existing provisions related to Home Occupation and the subsequent development and adoption of local laws and/or ordinances designed to more thoroughly regulate and govern Home Occupation uses to ensure that such uses will be in general harmony with the character of the surrounding neighborhoods and/or areas they are sited, so that such use will not be injurious to the health, safety or welfare of the residents, property owners and/or businesses within the Town of Livonia.

The Town Board recognizes and acknowledges that the Town needs to study and analyze many considerations that affect the preparation of local legislation to better regulate Home Occupation uses. The Town Board will formally requested the Building and Zoning Department and the Planning Board of the Town of Livonia to identify and review local laws from other jurisdictions, and related information and source materials, in order to assist in developing modifications to the current zoning regulations governing Home Occupation uses. The Town Board will direct the Town Attorney to assist in this endeavor.

It is deemed necessary to enact this moratorium in order to permit the Town adequate time in which to draft suitable legislation for this purpose. During the term of the moratorium the Town of Livonia shall work to prepare and eventually adopt new land use regulations to incorporate into the Town's existing Zoning Ordinance.

During the pendency of the moratorium, the Town Board will consider how best to permit and limit Home Occupation uses so as to harmoniously integrate such uses with the existing residential and agricultural community and to mitigate potential undesirable impacts that may be associated with such use. At present, the Zoning Code of the Town of Livonia may not adequately regulate such land use. If the community allows such development during that time, the goals of the Town could be undermined or damaged. Moratoria are useful in controlling or temporarily inhibiting development until satisfactory final regulations are adopted.

For these reasons, the Town Board finds that temporary moratorium legislation is both advisable and necessary for a reasonable and defined period of time in order to develop and adopt necessary zoning and land use changes to the Zoning Code of the Town of Livonia, thus protecting and furthering the public interest, health and safety.

SECTION 3. DEFINITIONS.

For purposes of this Local Law, the following terms shall have the meanings respectively
set forth below:

Home Occupation - As defined in §150-5 of the Zoning Ordinance of the Town of Livonia and as provided for in §150-66 and §150-17B.

SECTION 4. TEMPORARY MORATORIUM and PROHIBITION.

A. Unless permitted pursuant to Section 5 hereafter, from and after the date of this Local Law, no application for a permit, zoning permit, special permit, conditional use permit, zoning variance, building permit, operating permit, site plan approval, subdivision approval, certificate of occupancy, certificate of compliance, temporary certificate, or other Town-level approval of any nature shall be accepted, processed, entertained, approved, approved conditionally, or issued by any board, employee, official or agent of the Town of Livonia, for a Home Occupation on or in any land, building, or other structure located within the Town of Livonia.

B. Unless permitted pursuant to Section 5 hereafter, from and after the date of this Local Law, no person, entity or business shall use, cause, or permit to be used, any land, building, or other structure located within the Town of Livonia for any Home Occupation, as defined above.

C. This moratorium and prohibition shall be in effect beginning on the effective date
of this Local Law and shall expire on the earlier of (i) that date which is twelve
(12) months after said effective date; or (ii) the effective date of a Town Board
resolution affirmatively stating the Town Board has determined that the need for

this moratorium and prohibition no longer exists.

D. This moratorium and prohibition shall apply to all real property within the Town of Livonia, and all land use applications for Home Occupation within the Town of Livonia.

E. Under no circumstances shall the failure of the Town Board of the Town of Livonia, the Zoning Board of Appeals of the Town of Livonia, the Planning Board of the Town of Livonia, or the Code Enforcement Officer for the Town of Livonia to take any action upon any application for a permit, zoning permit, special permit, conditional use permit, zoning variance, building permit, operating permit, site plan approval, subdivision approval, certificate of occupancy, certificate of compliance, temporary certificate, or any other Town-level approval related to a Home Occupation constitute an approval by default or an approval by virtue of expiration of time to respond to such application.

F. Any completed application for a Home Occupation submitted to and accepted by the Town prior to the Effective Date of this Local Law shall be exempt from the moratorium and shall be permitted to continue through any pending review and/or approval process necessary pursuant to the Town of Livonia Zoning Code.

SECTION 5. HARDSHIP VARIANCE RELIEF FROM APPLICABILITY OF MORATORIUM.

Applications for land use otherwise subject to this moratorium may be exempted from the provisions of this Local Law following a noticed public hearing before the Town Board. It is specifically intended that this moratorium shall supersede New York State law which would otherwise confer exclusive variance authority to the zoning board of appeals.

Following a written request for hardship variance relief, within sixty (60) days of receipt of such request, a noticed public hearing shall be held, at which hearing the Town

Board may, but is not limited to consider:

A. The proximity of applicant's premises or the subject of applicant's request for relief to natural resources, including but not limited to prime agricultural soils, wetland areas, conservation districts and other areas of environmental concern.

B. The impact of the proposed application on the applicant's premises and upon the surrounding area.

C. Compatibility of the proposed application with the existing land use and character of the area in general proximity to the subject of the application, and its effect upon aesthetic resources of the community.

D. Compatibility of the proposed application with the recommendations of any administrative body charged with such review by the Town of Livonia.

E. The written opinion of the Town of Livonia Planning Board and the Town of Livonia Code Enforcement Officer that such application may be jeopardized or made impractical by waiting until the moratorium is expired.

F. Evidence specifying in detail the nature and level of any alleged hardship imposed on the property owner(s) as a result of this moratorium.

G. Such other considerations and issues as may be raised by the Town Board.

In making a determination concerning a proposed exemption or grant of relief from application of the moratorium, the Town Board may obtain and consider reports and information from any source it deems to be helpful with review of said application. A grant of relief from application of the moratorium shall include a determination of unreasonable hardship upon the property owner (or if there are multiple property owners, a determination that each such owner shall suffer an unreasonable hardship) which is unique to the property owner(s), a finding that there are sufficient existing regulations to adequately govern the application for which a hardship waiver is being requested, and a finding that the grant of an exemption will be in harmony with, and will be consistent with the existing Town of Livonia Zoning Ordinance and the recommendations of the Comprehensive Plan as such may exist.

An application for relief from the prohibitions of the moratorium shall be accompanied by a fee of $1,500.00, together with the applicant's written undertaking, in a form to be approved by the Attorney for the Town, to pay all of the expenses of the Town Board and any agent or consultant retained by the Town Board to evaluate and consider the merits of such application, including but not limited to any fees incurred by the Town for services provided by the Attorney for the Town.

SECTION 6. Administration and Enforcement

A. Code Enforcement Officer. The provisions of this Local Law shall be administered and enforced by the Code Enforcement Officer and his or her Deputies and staff. The Code Enforcement Officer and his or her Deputies are authorized to issue appearance tickets for violations of this law requiring appearance by the alleged violator in the Town of Livonia Town Justice Court.

B. Criminal Penalties. Any person, firm or corporation who violates, disobeys, neglects, refuses to comply with or resists the enforcement of any provision of this Local law or any written order of the Code Enforcement Officer or his or her Deputies directing compliance with this Local Law shall be guilty of an offense pursuant to New York Penal Law §10, and upon conviction thereof shall be subject to a fine of not more than one thousand dollars ($1,000.00), or imprisonment for a period of not more than fifteen (15) days, or both such fine and imprisonment for each offense. However, a person, firm or corporation convicted of a second or other repeated violation of this Local Law shall be guilty of an unclassified misdemeanor pursuant to New York Penal Law §80.05 and shall be subject to a fine of not more than two thousand dollars ($2,000.00), or imprisonment for not more than six (6) months, or both such fine and imprisonment for each offense.

C. Civil Penalties. Any person, firm or corporation who violates, disobeys, neglects, refuses to comply with or resists the enforcement of any provision of this local law or any written order of the Code Enforcement Officer or their Deputy directing compliance with this Local Law shall be deemed to have violated this Local Law, and shall be liable to pay the Town a civil penalty of up to one thousand dollars ($1,000.00) for each such violation. Such a civil penalty may be assessed in any action or proceeding brought by the Town or its taxpayers, pursuant to New York State Town Law §268(2), to enforce the provisions of this Local Law.

D. Continuous Violations. Each day a violation or offense is continued or not corrected shall be deemed a separate violation or offense.

E. Injunction. Compliance with this Local Law may also be compelled and violations restrained by order or by injunction of a court of competent jurisdiction, in an action brought on behalf of the Town.

F. Costs and Attorneys' Fees. In the event the Town is required to take legal action to enforce this Local Law, the violator will be responsible for any and all necessary costs incurred by the Town relative to such action, including attorneys' fees, and such amount shall be determined and assessed by the court. If such expense is not paid in full within 30 days from the date it is determined and assessed by the Court, such expense shall be charged to the property or properties within the Town on which the violation occurred, by including such expense in the next annual Town tax levy against such property, and such expense shall be a lien upon such property until paid.

SECTION 7. CONFLICTS.

For and during the stated term of this legislation, unless the stated term thereof shall be modified or abridged by the Town Board, this moratorium shall take precedence over and shall control over any contradictory local law, ordinance, regulation or Zoning Code provision.

SECTION 8. SEVERABILITY.

If any word, phrase, sentence, part, section, subsection, or other portion of this Local Law, or the application thereof to any person or to any circumstance, is adjudged or declared invalid or unenforceable by a court or other tribunal of competent jurisdiction, then, and in such event, such judgment or declaration shall be confined in its interpretation and operation only to the provision of this Local Law that is directly involved in the controversy in which such judgment or declaration is rendered, and such judgment or declaration of invalidity or unenforceability shall not affect or impair the validity or enforceability of the remainder of this Local Law or the application hereof to any other persons or circumstances. If necessary as to such person or circumstances, such invalid or unenforceable provision shall be and be deemed severed here from, and the Town Board of the Town hereby declares that it would have enacted this Local Law, or the remainder thereof, even if, as to particular provisions and persons or circumstances, a portion hereof is severed or declared invalid or unenforceable.

SECTION 9. EFFECTIVE DATE.

The effective date of this Local Law shall be immediately upon its filing with the Secretary of State.

Resolved to adopt Local Law No. 2 of 2026 establishing a home-occupation moratorium for up to one year, with the existing pending application exempted and permitted to continue through review; counsel to revise the text accordingly.

EMS UPDATE

Chief Allen reported receiving information from the New York State Department of Health that the ambulance Certificate of Need district would not need to be transferred to the Town. The status of the narcotics license and an online employment application link remain under follow-up. Supervisor Gott reported that the Town of Conesus had decided to contract with the Town of Livonia for continued EMS service for $75,000 annually and emphasized the importance of rapid response times.

RESOLUTION 154-2026

AUTHORIZE SUPERVISOR GOTT TO SIGN THE CONFIDENTIAL SEPERATION AGREEMENT FOR A SPECIFIC INDIVIDUAL

On motion of Councilmember Dougherty seconded by Councilmember Breu the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

Resolved to authorize the Town Supervisor to execute the separation-of-employment agreement discussed by counsel.

RESOLUTION 155-2026

AUDIT OF CLAIMS

On motion of Councilmember Stevens seconded by Councilmember Breu the following resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

Resolved to pay claims 754-774 in the amount of $48,780.02 from the Abstract dated September 29, 2026.

RESOLUTION 156-2026

AUDIT OF CLAIMS

On motion of Councilmember Breu seconded by Councilmember Dougherty the following

resolution was

ADOPTED Ayes - 4 (Gott, Dougherty, Stevens, Breu)
Nays – 0

Resolved to pay claims 775-815 in the amount of $73,382.86 from the Abstract dated October 15, 2026.

With no further business, on the motion of Councilmember Stevens seconded by Councilmember Breu the meeting was adjourned at 8:08 PM. Carried unanimously.

Respectfully Submitted,

_____

Hayley Woodruff
Town Clerk
